Dear Colleague:

On behalf of the ACE Mentor Program of Central Pennsylvania, we would like to invite you to join us for the ACE Fundraising Sporting Clay Event on Wednesday, September 20, 2023 at Central Penn Sporting Clays in Wellsville.

The mission of the ACE Mentor Program is to educate high school students on the varied and exciting career opportunities in the Architecture, Construction, and Engineering industry and related fields. ACE accomplishes this mission through mentoring, experiential learning, and a structured academic program.

ACE has been active in Central Pennsylvania for nearly two decades, and the local affiliate has ranked among the nation's largest programs for the past thirteen years. During the 2022-2023 academic year, nearly 50 students representing 20 schools participated with an in-person instruction program with our Cumberland, Dauphin, Lancaster, and York students.

Business leaders like you that provide ACE with financial support, play an important role in continuing ACE's legacy of awarding scholarships to deserving students as they further their education. ACE students commonly go on to pursue apprenticeship training in the skilled trades or college degrees in architecture, construction management, engineering or related fields. To date, we have been able to award over \$110,000 in scholarships to local students.

Please review the enclosed information inviting you to support ACE with a contribution.

In addition to the enclosed information regarding the Clay Shoot sponsorship, ACE is also hosting our 8th Annual Mini Golf Fundraiser, Sunday, October 15th from 5 – 7 PM at the Hershey Lodge, 325 University Drive, Hershey, PA. Those companies, or individuals, interested in supporting the Clay Shoot who contribute an additional \$100 towards the Mini Golf Outing will also be recognized with an advertisement sign at one of the holes. A separate flier with the Mini Golf Outing sponsorship is also enclosed.

On behalf of the Board of Directors of ACE Mentor Program's Central PA affiliate, we thank you for your investment in the future leaders of our industry here in Central Pennsylvania.

Joseph Connor, AIA, NCARB
